

WORSHIP IS...

In this series, we will explore the Biblical truth about worship. Worship is so much more than singing along to the songs in church or on the radio. Worship is a spiritual act of discipline that requires our whole mind, body, and spirit to be engaged. And worship of God and to God can happen Monday - Sunday!

From Genesis to Revelation, we see God instructing His children on how and why to WORSHIP. When we learn these truths about worshipping God and apply them to our lives we will become more ALIVE & FREE in Jesus.

Not only is worship good for our spiritual health, but it actually improves our physical health too! This reading plan will guide you through different parts of the Bible that highlight worship!

We pray you make this a daily habit and become a person of prayer and praise!

SCRIPTURE

Read the selected chapters for the day and discover God's truth and love. Look for a couple of Bible verses that stand out to you and write them down.

OBSERVATION

Next, what are your observations about the Bible verses you wrote down? Ask the Holy Spirit to help you understand them. Think about what these verses say and write out the truths in your own words.

APPLICATION

Make it personal. Think about how these verses relate to your life. Write about how God wants you to apply his truth to your everyday life.

PRAYER

Keep it simple. Ask God to help you apply His Word to your daily life. Remember, prayer is a conversation, so listen to what God might say and write it down.
